Bridge End Garden:

This delightful Victorian garden offers a beautifully secluded setting for any outdoor event, whether it be a wedding, concert, private party or fete. The Walled Garden, is fully enclosed, with four distinct areas of lawn, offering plenty of room for marquees. The Walled Garden's two glasshouses and its ornamental fountain complete this perfect location for your function.

The Common:

Used mainly for fairs, family fun days, car shows and concerts, the Common provides the best option for large-scale events.

The Town Hall:

The Town Hall has three rooms that are licensed for both civil and wedding ceremonies: the intimate Council Chamber, the impressive Court Room and the splendid panelled Assembly Hall. Whatever the size of your event, Saffron Walden Town Hall is the ideal choice for weddings, corporate events, business meetings, training courses and family gatherings.

Saffron Walden Market

Saffron Walden Market

Since 1141

A market has been held in Saffron Walden since 1141. Market days are Tuesdays and Saturdays. You can enjoy browsing and buying goods from a wide range of stalls. The Tuesday market is more traditional, with the Saturday market more cosmopolitan.

The sheer range of goods on offer is the market's greatest strength, with stalls selling cheese, fruit and vegetables, olives, bread, eggs, whole foods and fish, flowers, antiques and collectables, clothing, jewellery, and much much more.

Saffron Walden is proud to have been featured in 'The Market Times' where it was described as "a popular and sought after town to live, where the market gives it character and identity."

"We came to Saffron Walden on market day and we were pleasantly surprised to see how big the market was and how varied the choices were.....in fact it's one of the best markets I've been to!"
