Paradise

WALK # 1

Approx. 45 mins to 1 hour (2.25 miles)

- ① Turn left out of Piglets gate & then almost immediately opposite is a Public Footpath sign post. Take the footpath up the side of this large field, about halfway up the field you will pass a lone tree, we call 'Paradise', keep walking on, to the top of the field.
- ② Turn right & then turn left down the side of the next field with the hedge to the left side of you.
- ③ Then turn right along the bottom of the field which will take you to the fringes Bluebell wood.
- ④ Turn left and walk down the field with Bluebell wood next to you on your right.
- ⑤ At the bottom of this field there is hidden in the small wooded spinney a tree house & swing. Take the path to the left in front of the tree house which will take you around a fenced meadow (usually with cows inside) & follow the path along the north side of the fenced meadow.
- ⑥ When you reach the end of the cow meadow you can either continue along the fenced area and into the village of Radwinter where you will see the church in front of you.
- ⑦ However if you want to return to Piglets then turn right for 20 yards or so and then right again into a wooded tunneled path. Stay on this path as it opens out into fields again until it turns right down a small slope at the end of the cow meadow & you will be back at the tree house.
- ⑧ Then retrace your steps back up the field with Bluebell wood to your left (alternatively you can try & navigate your way through Bluebell wood, but it is not an easy trek.)
- ⑨ Once you reach the small bridge which you would have seen on your way down, instead of going back the same way, continue straight up the next field, turning right at the top.
- ⑩ Then walk along the top of this field & rejoin the path back down to Piglets by turning left & walking past 'Paradise' again.
