

- Red route: turn right out of Piglets & right to Lower Green, then continue on unmade road until you reach a 5 bar gate where to the right you can access the old disused airfield, turning right run past the neon sign and continue eventually you will come to a collection of farm buildings giving access to a concrete road which will take you back to Top Road and Piglets is approximately half a mile away. Total 4.29 miles (approx 45 mins to 1 hour jog).
- ► Green route: if you want to entend your run/walk disregard → and continue around completing the airfield loop and then go back through the gate and up to Lower Green junction and turn left and follwing the road around turning right thereafter until you arrive back at Piglets. Total 5.06 miles (approx 55 min to 1.15 hours jog).
