AWARD-WINNERS YET AGAIN...

a bespoke luxury experience

Local B&B, Piglets Boutique Country Stay in Wimbish are celebrating their recent success at the East of England Tourism Awards.

The competition started last July with entrants from 4 counties completing an in-depth application and after whittling down the entrants to a shortlist, Piglets received an anonymous visit from an inspector and from that made it onto the final list of three. Piglets only started trading in late 2019 so they were delighted to come away with the Silver Award from their first attempt.

Max, Chrissie and their housekeeper Nicky attended the black tie dinner on 16th March where all the finalists gathered in anticipation.

Although they have already several awards to their name, this one is special as it represents the very best of the tourism industry.

As a finalist, Piglets will now automatically be entered into the Visit England national awards in April having come top in Essex.

To all our lovely suppliers who have supported us in our first years of trading, we thank you all.
